## TIPS AND TREASURES

**Cap and Gown Orders** – Herff Jones will be back on campus on Wednesday during lunches to place orders for caps and gowns. Remember that this is required for graduation. Seniors who did not pick up a packet should see Mrs. Bailey in the office.

**Student Drivers** – As a reminder, all student drivers must use extreme caution in the student parking lot. Speeding, “piping”, and reckless driving will not be tolerated. Failure to adhere to safe driving practices will result in loss of parking privileges. Please help us keep a safe environment for all.

**Greenhand Degree** - Please join me in congratulating the following students in satisfying the requirements to earn their Greenhand Degrees: Carlton Baker, Chase Pippins, and Shelley White. The FFA Greenhand Degree is the first degree of FFA membership. The student must put in a lot of work and demonstrate great knowledge of the overall FFA program to be eligible for honor. Way to go!!!

**Athletic Updates** – Congratulations to our Pirates for clean sweeps this week versus Camden and Columbia. The Boys Varsity Pirates are in a 4-way tie for 1<sup>st</sup> place in the Conference with Camden, Plymouth, and Gates. The Pirates take on Gates at home on Tuesday. We need your support as we vie with the Barons for top seeding in the conference. The Pirates travel to Creswell on Friday for another conference match. Come on out and cheer on the Pirates.

**Pirate Gear** – Want to show your school spirit? PCHS shirts can now be ordered online. For information on styles and prices, visit: <https://www.mrbackwoodsgraphics.com/collections/perquimans-county-high-school>.

**Credit by Demonstrated Mastery** - Credit by Demonstrated Mastery (CDM) is an option for obtaining high school course credit for standard level courses (honors level and AP level courses are excluded) in North Carolina. CDM is the process by which a local school system shall, based upon a body-of-evidence, award a student credit in a particular high school course without requiring the student to complete classroom instruction. To earn credit for a high school course and by-pass the seat time requirements, students shall demonstrate mastery for the course through a two-phase process: Phase 1: A standard examination; Phase 2: An artifact - A project that demonstrates the student’s deep understanding of the content standards.

The deadline for accepting applications is February 10<sup>th</sup> . Phase one assessment will occur during the timeframe of February 15 – 28. For more information, visit <http://www.pqschools.org/district/credit-by-demonstrated-mastery-cdm->.

**Cafeteria Charges** – Please make sure you pay off any cafeteria charges as soon as possible. Let us know if you need an application for free and reduced lunches. They are available in the office and the cafeteria. You can also pay off your charges online by visiting <https://www.k12paymentcenter.com/>.
