The Forestry team placed 20th overall in the state, and Jacob Godfrey did very well with score of 362 out of 400, for an individual finish of 28th place. Huge congratulations to James Harvey Winslow who won 1st place in the Agriscience Fair Division II Power, Structural and Technical Systems Category. Perquimans County Fishing Team – Congratulations to Dylan Valousky and Timothy Estep, who took first place and caught a staggering 22.51lbs of fish at the Falls Lake Fishing Tournament this summer!! They easily outpaced the field, doubling up 2nd place who finished with just 11lbs. Way to go team!

Driver's Education – The first driver's education class will be held September 19th – October 5th from 3:05 – 6:05 PM. Registration for the course opens on August 29th at www.ncdrivingschool.com. Please be advised that students must pass 3 out of 4 classes to be eligible for driver's education.

School Mascot Fund - Please help us earn funds to purchase a Pirate school mascot costume to be used for our special events. It would not only serve as a point of pride for the school but for the entire district, and the community as well. Additionally, it would provide another avenue of interest and involvement for students to participate in school activities. Please visit <https://www.gofundme.com/PQmascot> to make a donation.
