				10 Indian Summer Festival

TIPS AND TREASURES

iPad Paperwork - We will have an iPad paperwork make-up session on September 6th from 2-5PM at the High School Media Center. Parents who missed the Back to School Bash will need to attend this session. Students will not receive an iPad before the paperwork is signed. If parents cannot attend the make-up session they will need to make an appointment with the Media Coordinators at the school.

Drop/Add - Drop/add forms are in teacher mailboxes and will be distributed at homeroom as needed. Schedule changes may be limited due to course offerings. All schedule changes must have a parent signature to be processed. Mrs. Morgan will contact the parent for approval prior to any changes. There will also be forms available in the Student Services office. No changes will be made on Monday. The students will be called down once schedule change forms have been reviewed. The deadline to make a Drop/Add request is Friday, September 2nd.

Strides for Scholars - The Junior Women's Club of Perquimans County will be hosting their annual Strides for Scholars 5K on Saturday, September 17th at the Perquimans County Rec Center. Registration/Check-In will be from 8:00 - 8:45am. The Kids Fun Run will begin at 8:45 followed by the 5K Run/Walk at 9:00am. Register @ facebook.com/JWCPC. Lets support opportunities for our students and enjoy some fellowship by running or walking this 5k.

Touchdowns Against Cancer - In a battle to help eliminate childhood cancer, the Perquimans County High School Football Team is going to be raising money for St. Jude's Children's Hospital. From September 15 - October 1, for every touchdown the Pirates Football Team scores, a monetary donation is made directly to St. Jude's. At the end of the campaign, you receive an invoice detailing what your final charges will be. And because St. Jude's is a 501c3 organization, your donation is fully tax deductible. For more information, visit <https://pledgeit.org/tac16-perquimans-pirates-hertford-nc>.

Donors Choose – Congratulations to Mr. Leicester for earning funding for a Public Safety classroom project called “All About Drones.” The purpose of the project is to focus on the role of drones in safety and security from a law and legal perspective. If you have a great idea for a project, submit your proposal at www.donorschoose.org. You may be the next winner of a grant!!

FFA Alumni Raffle – The FFA Alumni is selling raffle tickets for \$1.00. 1st Prize - \$250, 2nd Prize - \$150, 3rd Prize - \$50. Proceeds from the raffle are used to fund student activities including the National FFA Convention and Leadership School. If you are interested in purchasing a ticket, please contact Angel White at PCHS.

Athletic Updates – The Pirate Soccer team battled hard in losses to Riverside, Edenton and Hatteras this week. The JV Lady Pirates remain undefeated, while the Varsity team earned victories against Manteo and Hatteras but faced a 3-1 loss in a tough match with Northeastern. The Pirate Football team lost on the road to Edenton under the Friday night lights. This is a busy week in Pirate athletics, so come on out and support your favorite Pirate team!

Driver’s Education – The first driver’s education class will be held September 19th – October 5th from 3:05 – 6:05 PM. Registration for the course opens on August 29th at www.ncdrivingschool.com. Please be advised that students must pass 3 out of 4 classes to be eligible for driver’s education.

Bright Ideas Grant – Have a good idea and no funds to make it happen? Consider applying for Bright Ideas Grant. The application deadline is September 23rd. The maximum grant amount is \$1,000. Many of our teachers within our school district have been fortunate enough to write and receive Bright Ideas Grants. Please see the following website for further information: <http://www.ncbrightideas.com/>. Our very own Mr. Winslow was a winner last year.

Mission: Perquimans County High School, in partnership with home and community, will educate all students in a safe environment to thrive in a global society.

Vision: The staff at Perquimans County High School believes that all students can learn and achieve. We dedicate ourselves to providing an environment conducive to the development of each student’s potential.
