TIPS AND TREASURES

Cafeteria Updates – Please make sure to fill out the application if you are interested in receiving free or reduced lunch. Applications must be completed every year. Please be reminded that meal benefits expire on Sept. 23. Students who have previously been free or paid reduced prices from last year will be charged full price for meals starting on Sept 24 until the application has been completed and approved.

Pirate Gear – Ready to show your school spirit?? If you need some Pirate gear, please visit <https://perquimans16-17.itemorder.com>. The order site will be open until September 18th. Items should be delivered in 2-3 weeks.

Scholarship Event - On Thursday, September 15 from 6:00-8:00 pm, representatives from the following scholarship programs will host an informational program for high school juniors and seniors and their families at Northeastern High School: EC Scholars Program, East Carolina University; Levine Scholars Program, UNC-Charlotte; Park Scholarships, NC State; Wilson Scholars Program, Appalachian State University. The event is free and open to the public.

Athletic Updates – The Pirate Soccer team battled hard in losses to Riverside and Manteo last week. The Lady Pirates were victorious against Columbia, but faced a heart-breaking 3-2 loss against Camden. The Pirate Football team lost on the road to

Pasquotank in a make-up game on Monday night but bounced back with their first conference win at home on Friday versus Creswell. This is a busy week in Pirate athletics, so come on out and support your favorite Pirate team!

iPad Roll Out – Our media coordinator, Mrs. Benton, is working very hard to roll out iPads as quickly as possible, but this is a huge task. Please be patient. Don't forget that students will not receive an iPad until the paperwork has been completed. Parents will need to make an appointment with the Media Coordinator at the school to do so. Parents should not show up sporadically during the day to complete the paperwork.

Strides for Scholars - The Junior Women's Club of Perquimans County will be hosting their annual Strides for Scholars 5K on Saturday, September 17th at the Perquimans County Rec Center. Registration/Check-In will be from 8:00 - 8:45am. The Kids Fun Run will begin at 8:45 followed by the 5K Run/Walk at 9:00am. Register @ facebook.com/JWCPC. Lets support opportunities for our students and enjoy some fellowship by running or walking this 5k.

Touchdowns Against Cancer - In a battle to help eliminate childhood cancer, the Perquimans County High School Football Team is going to be raising money for St. Jude's Children's Hospital. From September 15 - October 1, for every touchdown the Pirates Football Team scores, a monetary donation is made directly to St. Jude's. At the end of the campaign, you receive an invoice detailing what your final charges will be. And because St. Jude's is a 501c3 organization, your donation is fully tax deductible. For more information, visit <https://pledgeit.org/tac16-perquimans-pirates-hertford-nc>.

Driver's Education – The first driver's education class will be held September 19th – October 5th from 3:05 – 6:05 PM. Registration for the course opens on August 29th at www.ncdrivingschool.com. Please be advised that students must pass 3 out of 4 classes to be eligible for driver's education.

Mission: Perquimans County High School, in partnership with home and community, will educate all students in a safe environment to thrive in a global society.

Vision: The staff at Perquimans County High School believes that all students can learn and achieve. We dedicate ourselves to providing an environment conducive to the development of each student's potential.
