Duty: Student Drop-off – Kim Tyson; Bus Circle – Michael Cartwright

TIPS AND TREASURES

Athletic Updates – It was a tough week for Pirate Athletics as many of our games were postponed due to weather. The Lady Pirates Volleyball was victorious over Manteo last week. The Pirate Football team battled through the heat in a resounding victory against Nansemond-Suffolk Academy on Saturday afternoon. This is a busy week in Pirate athletics, so come on out and support your favorite Pirate team!

Touchdowns Against Cancer - In a battle to help eliminate childhood cancer, the Perquimans County High School Football Team is going to be raising money for St. Jude's Children's Hospital. From September 15 - October 1, for every touchdown the Pirates Football Team scores, a monetary donation is made directly to St. Jude's. At the end of the campaign, you receive an invoice detailing what your final charges will be. And because St. Jude's is a 501c3 organization, your donation is fully tax deductible. For more information, visit <https://pledgeit.org/tac16-perquimans-pirates-hertford-nc>.

Governor's School - An Information Meeting for students and parents interested in Governor's School will be held in Edenton at John A. Holmes High School October 11th at 6:00 p.m. Students interested should attend this meeting with their parents. This is for JUNIORS with exception given to Sophomores (wishing to be nominated in the Performing Arts and Visual Arts) Please see Ms. Morgan for additional information, deadline dates, and specifics related to NC Governor's School.

Mission: Perquimans County High School, in partnership with home and community, will educate all students in a safe environment to thrive in a global society.

Vision: The staff at Perquimans County High School believes that all students can learn and achieve. We dedicate ourselves to providing an environment conducive to the development of each student's potential.
