

PCHS: Where Anything is Possible

Our Mission: To give every student the opportunity to reach their full potential by providing a safe and supportive learning environment.

Our Vision: To graduate all students in four years or less with the necessary skills (NC Portrait of a Graduate) needed to be positive and productive members within their community.

Our Beliefs:

- All students can be successful.
- Communication & Collaboration between schools, families, & community is vital.
- Relationships, Rigor, and Relevance help students thrive.
- High standards and expectations challenge students to be their best.
- Each day is an opportunity to explore, learn, and grow.
